Correspondence of the Charleston Courier. The Religious Element in the War. RICHMOND, August 10.

Probably at no period of the war has the religious element in the army been more predominant than it is at present. In many instances,

It is not strange, therefore, as you go through various camps even on a week day, that your Baker & McIver, have on hand every ears are here and there saluted with the melody mess table; or that, when Sunday arrives, the discourse, is the centre of a cluster of interested

In many of the regiments much of this kindly influence is due to the pure and elevated character of the officers. Wherever these are found you invariably also find a next, well-disciplined, orderly, quiet command, as prompt in the camp as they are brave upon the field. Now and then you may hear a taunt about "our praying Captain" or "Colonel," but even these thoughtless expressions come from men who venerate their who have dropped the gown of the Christian for the apparel of the soldier. Polk was a kishop, Pendleton a clergyman, D. H. Hill a religious A gentleman who returned from Cincin- author, Jackson a dignitary of the church, while they were visited by crowds of Dinahs who hung ly environed, and are living illustrations of the

enemies as he is gentle to his friends. send them without the lines and let them shift for voking God's blessing and protection. The dependence of this strange man upon the Deity

seems never to be absent from his mind, and whatever he does or says it is always prefaced

heated term? Blessed be the man that invented "by God's blessing ice-ice in summer. Mr. Geo. W. Pitts, on Ver-In one of his official dispatches he commences, "By God's blessing we have defeated the enemy." Said one of his officers to him the other mont street, has the nicest, cleanest and most transparent ice which he delivers each morning to his customers. Call on Mr. Pitts and he will day, "Well, General, another candidate (referring to Pope) is waiting your attentions." "So I observe," was the quiet reply, "and by God's Two gunboats have been ordered to ply blessing he shall receive them to his full satisfaconstantly between the mouth of the Wabash

After a battle has been fought the same rigid remembrance of Divine Power is observed. The army is drawn up in line, the General dismounts from his borse, and there, in the presence of his rough, bronzed faced troops, with heads uncovered and bent awe stricken to the ground; the voice of the good man, which but a few hours before was ringing out in quick and fiery intonations, is now heard subdued and calm, as if overcome by the presence of the Supreme Being, in holy appeal to the "sapphire throne." Few such spectacles have been witnessed in modern times. and it is peedless to add that few such examples have ever told with more wondrous power upon the hearts of the men. Are you surprised, after this recital, that Stonewall Jackson is invincible. and that he can lead his army to certain victory whenever "God's blessing" precedes the act? MONDAY MORNING, August 11 .- More good

He has had a fight, perhaps two or three by this writing, and again driven the enemy before him. Three hundred prisoners have just come in. There are flying rumors that Jackson has captured two thousand of the enemy, and is pushing Pope "to the wall." The Departments are si lent upon the subject, and 1 can get no clue to the facts. The Yankees before many days have elapsed, will doubtless find out the truth of a trite observation by one of our prisoners-a "son o' the sod." "Faith," says he, "but this Stone man Jackson, wid a wall in the handle of his name, is worrus than an Irish hedge. Ye can't go around it, and ye can't git over it, and what the devil kin a man do in a dilemmer, but ter fall into it gracefully. Cushla, but I think our

Scene at Hampton. A correspondent of the Boston Journal writing

Pope has made a bull ov it this time sure."

from Fortress Monroe under date of the 24th ult., describes a scene as follows: At present there is an immense number of contrabands congregated in and about Hampton, and their shelter tents dot the plain far and near. I spent an hour among the sable individuals, and was greatly amused at what I saw and heard. The most of them came from the vicinity of Richmond and the Pamunkey. It was truly a motley crowd, and the curiosity hunter was well repaid for his trouble of visiting them. They are under military control and discipline, and are divided into companies with "white bosses" They are of much service in loading and unloading cargoes, which is pretty much all they do. The only way to make a darkey work is to make him fear | the wants of our customers to merit and retain the same you. This is the first step to be taken, and unless it is taken you might as well undertake to make a dead mule labor as to make one of them. It was noon when we entered their quarters, and they were just falling in for dinner, which consisted of a piece of boiled salt beef and three hard crackers. Dinner being over, these stalwart corner stones of the Southern confederacy would leave the shelter of the tents and doze in the sun, which seemed almost hot enough to boil eggs. The hour had now arrived for them to had no idea of falling in if he could possibly avoid it, and the only way to bring him to terms was for the "bosses" to seize their old rusty sabres and flourish them among them in the most ID IR W G IS I S I S ferocious manner. This had the desired effect, and it was really astonishing to see how rapidly they could move when obliged to do so. After the male portion had proceeded to the docks, we may be a could not be contained to the docks, we stuffs, Glassware, Window Glass, Brushes, rambled about among the gentler sex. Some were engaged in washing for the soldiers, others baking hoe cakes, and making themselves useful generally. It was really amusing to see the little water, some of them being no larger than a quart quite pleasing to look upon, having the Anglo-Saxon cast of feature, just dark enough to be mistaken for a Cuban, with easy graceful manners, and tolerably intelligent countenances. To be sure such instances were rare, but striking.

marked by the most unbounded enthusiasm, The rebel force under the five Generals, Jackson, Longstreet, Ewell, Hill and Smith, are not less than 215,000 at the present time.

> that Jackson, Longstreet, Ewell and Hill are now consolidated at Manassas, while Smith is marching with a column 30,000 strong on Fred Gen. Butterfield, in the battle of Saturday, commanded that portion of Morrell's Division

> taking part in the engagement. Gen. Morrell was with Gen. Griffin's brigade, which took no part in the fight. Col. Weeks, of the 12th New York, who commanded Gen. Butterfield's Brigade, was shot

through both legs. Col. Roberts, of the 2d Maine, who command-

ed Gen. Martindale's Brigade, had his horse shot All the regiments engaged fought gallantly. The loss is said to reach forty per cent, of those engaged.

Capt. Rider, of Gen. Butterfield's staff, was shot in the head, and Capt. Spear, of Gen. Martindale's staff, in the right hand. Mr. Dennis, Military Agent here for the State

of Indiana, has received a letter from Col. Mere dith, of the 19th Indiana, which with the 3d, 6th and 7th Wisconsin regiments, forms Gen. Gibbon's Brigade. On Thursday evening they encountered Hill's rebel Division, from whom they took a battery, which they are reported as still

They held the battle field, but Colonel Mere 200 DOZEN Paint and Varnish Brushes, Wall Brushes, Sash Tools, Blenders, Scrub, Shoe, dith was the only field officer that was not hurt. He had three horses shot under him. Horse, Hair, Hat, and Cloth Brushes of all kinds at lowest Our entire loss in this brigade in killed, wounded and missing was 778.

> The 19th Indiana lost 227 men. This brigade was not in the fight on Friday but not known. They then returned to their boats as in on Saturday and held out to the close of and steamed down the river and are supposed to the day. Loss unknown. The rebel mortality has been enormous, and

their own captured officers and surgeons admit a loss of from ten to twelve thousand in killed and wounded up to Saturday night last. When General Franklin arrived on the battle ground on Saturday afternoon, the fortunes of the day had been decided, and the command was

halted near Cub Run. Major General Slocum seeing that Pope's left wing was falling back toward Centerville, formed his division in line of battle across the road and deployed a squad of cavairy attached to the corps a skirmishers. General Smith's division was also drawn up in

line of battle half a mile in the rear. When troops came back they were brought to a halt and not allowed to pass this point, and numbers of stragglers were collected. General Hooker's and Kearney's divisions came

back in good order. Information has been received here that a number of persons from this city were vesterday on the battle field attending the burial of the dead and the comfort and removal of the wounded. About twenty surgeons were of the party. It is stated that a number of them, including the Government clerks were undonbtedly captured on Monday by the enemy who were engaged in har-rassing General Banks's retreat from Warrenton. arrived from Matanzas to-day, and reports an duty assigned them without a flag of truce was the 15th ult, flying a piratical rebel rag.

an unsafe proceeding.

in the matter of food. They also state that the lighthouse with a signal of distress flying, no noreport was prevalent among the enemy that Gen tice was taken of her, and the dispatches were Ewell had died of his wounds, and that General Lee was slightly wounded yesterday in the hand by the accidental discharge of his own pistol.
